

DePuy Synthes

Joint Reconstruction Symposium

Optimizing Implant Choice, Technique
and Enabling Technologies

June 10th 2026

11:00 - 12:00 arrivals and lunch in
the J&J Office

Johnson & Johnson Office

Walterovo náměstí 329/1 Praha 5,
Czech Republic

Subject to final HCC approvals

Bringing together international experts in modern joint reconstruction, implant selection and enabling technologies.

International Faculty:

Prof. Tim Board

Wrightington Hospital, UK

Dr. Edwin Pantaleon

Hospitales Universitarios San Roque, Spain

Dr. Rastislav Ballay

FN Motol, Czech Rep.

Dr. Tomislav Čengić

University Hospital Centre Sestre milosrdnice, Croatia

Joint Reconstruction Symposium

Optimizing Implant Choice, Technique and Enabling Technologies

June 10th 2026

*The Final agenda may vary

11:00 – 12:00 Arrival and lunch in J&J Office*

12:00 – 12:10 Welcome & Course Objectives

Radim Dvořák &
Jaime Metcalfe

HIP

SECTION 1 – IMPLANT

Design choices that support confident cementless fixation

Chairperson
Dr. Rastislav Ballay

12:10 – 12:25 Cementless Primary THA Today: Design Principles That Matter

Dr. Rastislav Ballay

12:25 – 12:40 What 30+ Years with CORAIL Reveals about Collared

Prof. Tim Board

12:40 – 12:55 ACTIS in Cementless Primary THA

Dr. Edwin Pantaleon

SECTION 2 – TECHNIQUE

Executing cementless THA with confidence and consistency

Chairperson
Dr. Edwin Pantaleon

12:55 – 13:10 Femoral Preparation in Cementless THA - Posterior Approach with CORAIL

Prof. Tim Board

13:10 – 13:25 Standardizing Femoral Preparation - Direct Anterior Approach with ACTIS

Dr. Edwin Pantaleon

13:25 – 13:40 Cementless Acetabular Fixation in Primary THA with PINNACLE

Dr. Rastislav Ballay

13:40 – 13:55 ☕ Networking Coffee Break*

SECTION 3 – TECHNOLOGY

Supporting reproducibility today – preparing for tomorrow

Chairperson
Prof. Tim Board

13:55 – 14:10 The Future of Cementless THA

Gareth Jones

Joint Reconstruction Symposium

Optimizing Implant Choice, Technique and Enabling Technologies

June 10th 2026

*The Final agenda may vary

14:10 – 14:25 Enabling Technologies in Cementless THA - My Kincise Experience

Dr. Edwin Pantaleon

DISCUSSION AND KEY TAKEAWAYS

14:25 – 14:55 Cementless Primary THA with ACTIS, CORAIL & PINNACLE[#]

Chairperson

Dr. Rastislav Ballay

Prof. Tim Board

Dr. Edwin Pantaleon

14:55 – 15:10 ☕ Networking Coffee Break^{*}

UNI KNEE

15:10 – 15:30 UNI knee with Sigma Partial

Ary Fishbein (online)

15:30 – 15:50 UNI knee - indications, experience, technique

Dr. Tomislav Čengić (online)

15:50 – 16:00 Questions & Answers[#]

16:00 – 16:45 UNI knee sawbones workshop

Tomáš Tůma

16:45 - 16:55 Final remarks and closing

Radim Dvořák &

Jaime Metcalfe

16:55 - 17:25 Networking & Closing Refreshments^{*}

*Faculty available for professional discussion during coffee

[#]Faculty actively participate during the time slot
